## Neighborhood BIBLE STUDY

The Blessing and Challenge of Jesus-1<sup>st</sup> meeting is Thursday, April 11, 9-10:15am at The Butcher Shop. Email or call/text Rev. Bill Carrol from Trinity Episcopal Church, [frbill@trinityparish.org](mailto:frbill@trinityparish.org) (903) 399-1190 or George Terrell from First Christian Church, [georgeterrell@sbcgloabal.net](mailto:georgeterrell@sbcgloabal.net) (903) 806-0809 for more info, questions or if you wish to attend.

We seek to gather a small group of Christians, pastors and interested laypeople from several local churches for conversation, study & fellowship. Above all, we aim to know Jesus more fully and to follow him more closely. We intend to build up the wider Body of Christ, to encourage friendships that transcend our differences, and to serve the neighbors God gives us. We are committed to learning from the Holy Spirit and one another.

We are beginning with a group study of the book *The Meaning of Jesus: Two Visions* by N. T. Wright and Marcus Borg. Copies of the book are easily found online. If you need help purchasing one, we will help.

*Ladies: Join us at the Longview Arboretum on 4/11/24 for an evening with Jan Forrester's daughter, Julie Mangus. Tickets are \$10.00 each. The West Maude Cobb gate will open at 5PM with music beginning at 6PM. Outside food and drink are allowed. Bring your lawn chair or blanket. Sign up in the office. Julie performs a repertoire of show stopping Broadway classics, country tunes and timeless favorites.*

Dr. Philip Chacko's *Online with God* provides a fresh perspective on the kinship between God and Man. We often hear of God described as the Trinity: the Father, Son, and Holy Spirit. Dr. Philip Chacko imagines these three entities as the sides of a triangle, perfectly balanced around a center of love and peace. As God made humans in his image, it only makes sense that humans themselves are made up of triangles as well. Dr. Chacko theorizes that each of us holds four different triangles at our core, each concerned with a different element of our inner being. But as humans, our triangles are not perfectly balanced like that of God, but He is the one and only power whose force can balance our triangles into true harmony. In *Online with God*, Dr. Chacko explores how each of our inner triangles is wired, describes how we can discover them for ourselves, and explains the true value of connecting with God. In short, *Online with God* urges readers toward a posture of dependence on the Spirit of God, to be formed into his likeness and balance their triangles. With Dr. Chacko's vast knowledge of scripture and included forty-day devotional plan for further biblical understanding, *Online with God* stands as a thorough guide to connecting with the Creator, finding inner peace, and empowering the self for all that is to come.

Dr. C. Philip Chacko retired from the Christian ministry after forty-four years of serving churches in Texas. He authored worship materials used internationally in alignment with the liturgical calendar, including the Love on the Cross, Forty Days with Jesus, Women of the Cross, and Fifty Days to Power programs. Philip was raised in Kerala, a state along the southwestern coast of India, where rich orthodox traditions were first instilled by the disciple Thomas in AD 52. After graduating from Southern Asia Bible College in Bangalore, India, he came to the United States to study further at Oral Roberts University in Tulsa, Oklahoma, and Brite Divinity in School in Fort Worth, Texas. At Texas Christian University, he earned his Master of Divinity and Doctor of Ministry degrees.

On April 27<sup>th</sup> a study will begin exploring the book *Online with God*. Each Saturday a 30-minute study followed by daily devotion every morning for 40 days. Dr. Philip Chacko invites you to join these studies and daily devotions. His book cost \$20.00 and he will donate ½ back to the church. If you would like one of his books for the Bible Study or just to read contact the church office.
